IMPACT 100 BALDWIN COUNTY ALABAMA

How does Impact 100 Baldwin County work?

Impact 100 awards high-impact grants to nonprofits in Baldwin County by:

- Engaging women to become members by donating \$1000 each year into our grant pool.
- Educating members about community issues and the nonprofits that are addressing those issues most effectively.
- Soliciting and evaluating, via a thorough and rigorous review process, grant applications from nonprofits serving Baldwin County
- Awarding as many high-impact grants as possible each year. The number of women who have joined by March 31 determines the number and size of grants we are able to award each year. In 2019, we are awarding five grants of \$101,000 each.

How can I become a member of Impact 100 Baldwin County?

You may join anytime by completing this form or applying online at <http://impact100baldwincounty.org/get-involved/become-a-member/>.

What are the membership obligations?

Your only obligation is your donation. We hope you also participate in the November vote to select the grant recipient(s). You have no other obligation, but you will have the opportunity to serve, if you wish, in any of a number of ways, including evaluating grant applications, serving on a committee, and/or serving on the Board.

If I can't make a donation of \$1000, is there a role for me?

We greatly appreciate donations of any size to our administrative fund. We use this fund to cover operating expenses and occasionally to supplement the grant fund. You can also give directly to the grant fund, or help sponsor a membership.

How much of my contribution goes toward grants versus administrative expenses?

A full 100% of membership dues – each and every dollar – is awarded in grants to nonprofit organizations serving Baldwin County. Any donation over \$1000 goes to administrative expenses.

How are administrative expenses paid?

We have no paid staff and all our work is done by member volunteers. We pay other administrative costs through funds gathered from:

- Members making administration donations in addition to their membership donation.
- Spouses, friends and employers who choose to support the member and the organization through donations.
- Employer matches, corporate sponsorships, and in-kind donations.

Is my donation to Impact 100 Baldwin County tax deductible?

Impact 100 is an IRS recognized 501(c)(3) charitable organization. Your donation is tax deductible to the full extent permitted by law.

Can I pay with a credit card?

Yes. By applying online at <http://impact100baldwincounty.org/get-involved/become-a-member/>, you can pay with a credit card or PayPal. This requires an additional 3% per credit card payment to cover processing fees.

Can I pay in installments?

Yes. We want to make joining Impact 100 as easy as possible. If you choose to make installment payments, please make an initial donation of at least \$100, and then indicate on the form how you wish to divide the remainder. If we do not receive the full \$1000 (plus any applicable processing fees) by the March 31 deadline, your donations will be recognized as a tax-deductible donation, but you will not be a member for the year.

Will you accept gifts of stock?

We gladly accept stock donations for membership or other donations. Email impact100baldwincountynews@gmail.com to request a stock transfer form to begin the process.

If my employer has a matching program, will you accept this donation?

Yes, we gratefully accept employer matching gifts. If you are applying for such a match, please note this on the membership form and let us know if you will need documentation from Impact 100 in order to apply for the matching gift.

I want to give more than \$1000. Do I get more than one vote?

Thank you! And no. Every member gets one vote even if they give more than \$1000. If you want to give more than \$1000, please indicate on this form how much you wish to donate to administrative funds. If you wish to give an additional \$1000, you could consider sponsoring another woman to be an Impact 100 voting member.

Can I make an in-kind donation of services or products to cover my \$1000 membership donation?

No. Because we pay the grants in dollars, all membership donations must go directly to grants. However, we are happy to accept in-kind donations to offset our administrative costs.

Can anyone participate in Impact 100 Baldwin County?

Women over the age of 18 are eligible for membership. Anyone can participate by making administrative donations, or by sponsoring a woman to be an Impact 100 voting member. We also appreciate men participating by encouraging the women they know to become members.
